All Welch Allyn FlexiPort Blood Pressure Cuffs (cuff materials, tubing, fittings, FlexiPort components, and all levels of packaging) are latex free to protect practitioners and patients from the potentially dangerous allergic reactions commonly caused by latex.

Welch Allyn FlexiPort Blood Pressure cuffs have also been tested for biocompatibility per EN/ISO 10993-1.

For more information, please contact Welch Allyn customer service at (800) 535-6663.
