

LIMITED-TIME OFFER

For Welch Allyn® ABPM 7100 and
Welch Allyn Connex® Spot Monitor

YOU RELY ON ACCURATE BLOOD PRESSURE READINGS.

The American Heart Association's new scientific statement explores the latest research and best methods for blood pressure measurements. In the office, automated and averaged blood pressure readings are preferred, reducing common errors often seen with manual measurements.¹ And beyond your office walls, ambulatory blood pressure monitoring is recommended to help confirm hypertension diagnoses.²

Make sure you have the right tools to accurately identify and diagnose hypertension.
