03 November 2011

Dear Valued Customer,

We are writing to inform you that CardioPerfect MD recorder and CardioPerfect Portable ECG recorder is no longer available for sale and no longer eligible for repair service. Manufacturing for both the CardioPerfect MD recorder and CardioPerfect Portable ECG recorder was discontinued in 2003. Repair services and accessory sales ended on January 01, 2009 for *all* CardioPerfect MD and CardioPerfect Portable ECG recorders.

To verify if your device is affected by this end of sale / service notification, locate the CardioPerfect MD and CardioPerfect Portable ECG recorder device brand name on the front of the recorder and the 'Cardio Control NV label on the back panel of your recorder. *Please note that Welch Allyn branded CardioPerfect Pro and ProLink are not subject to this notice.*

Welch Allyn offers a compact CardioPerfect Resting ECG recorder as part of the CardioPerfect Workstation – a suite of PC based diagnostic cardiopulmonary modules which can include ambulatory blood pressure monitoring, exercise stress testing and spirometry. To learn more about upgrade options, please contact your local Welch Allyn office or visit us at www.welchallyn.com.

Sincerely,

A handwritten signature in black ink that reads "Mark Pingel". The signature is fluid and cursive, with the first letters of the first and last names being capitalized and prominent.

Mark Pingel
