

## SERVICE TECHNICAL TRAINING INFORMATION

Session Schedule: January – June 2020

The Hillrom technical training programs are product certification programs. Attendees will be able to troubleshoot, conduct preventive maintenance and render repair to Hillrom products including:

### BEDS & STRETCHERS TECHNICAL TRAINING

- Progressa® Bed
- VersaCare® Med-Surg Bed
- CareAssist® ES Med-Surg Bed
- Advanta™ 2 Med-Surg Bed
- TotalCare® Bed System
- Affinity® 4 Birthing Bed
- Compella™ Bariatric Bed
- All Hillrom™ Stretchers
- Centrella® Smart+Bed

### LIFT TECHNICAL TRAINING

- Viking® Lift Series
- Golvo® Lift
- Sabina® Sit-to-Stand Lift
- LikoGuard® Overhead Lift
- Likorall® Multirall™ Overhead Lifts components to the FreeSpan™ System

### SURGICAL PRODUCTS TECHNICAL TRAINING

- TruSystem® 7000 OR Table
- TruSystem® 7500 OR Table
- TITAN® OR Table
- TruLight® Surgical Lights TL3000/TL5000
- iLED® 5 and iLED® 3 Surgical Light
- iLED® 7 Surgical Light
- TruPort® Boom

### DIAGNOSTIC CARDIOLOGY TECHNICAL TRAINING

- ELI® 280 Resting ECG
- ELI® 350 Resting ECG
- ELI® 380 Resting ECG
- ELI® 150c & 250c Resting ECG (Available Upon Special Request)
- Q-Stress® 6 and TM55/65
- Q-Stress® 6 and TMX428
- Q-Tel® RMS Rehabilitation Management System

### WHO SHOULD ATTEND

Our training is designed for hospital personnel including:

- Hospital Biomedical Engineers and/or
- Hospital Facilities/Maintenance Staff

### COURSE OBJECTIVES

Upon completion, you will return to your facility with the product knowledge and hands-on experience necessary to keep your patient care areas functioning at their required levels.

Course objectives include:

- Hands-on knowledge of troubleshooting techniques
- Preventive maintenance and safety inspection steps
- Understanding of product features and benefits
- Ability to quickly spot and correct user errors
- Knowledge of product warranties, out-of-warranty exchange programs and parts ordering procedures
- Theory of operation and component level replacement

### COURSE PREREQUISITES

Programs are designed for individuals responsible for troubleshooting, repair and maintenance/preventive maintenance of Hillrom equipment. It is recommended that the student possess a basic knowledge of electronics, as well as experience with electronics testing equipment.

### CLASS FEES

Listed on schedule page.

### COURSE MATERIALS

All service manuals, recommended spare parts lists, and student guides are provided. Testing includes problem diagnosis and/or a written exam.

### CERTIFICATE

Upon completion of the class, each attendee will receive a certificate of completion indicating the attendee is trained to repair and maintain Hillrom™ Beds, Welch Allyn® and Mortara® Cardiology Products, Surgical Products, or Liko® Lifts. In order to receive the certificate, the attendee must be present for the duration of the class. **NOTE: Certificates will have a 2-year validity period as long as the attendee is employed by the contracting facility. Refresher training may be required after that time.**

### TRAINING LOCATION: BATESVILLE, IN

Hillrom's training facility in Batesville, IN, is centrally located between the Cincinnati/Greater Northern KY (CVG) and Indianapolis, Indiana (IND) airports. Students may fly into either airport and drive to Batesville. (Note: Expect 1-3 hours of driving time depending on airport selected.) Address: Hillrom Training, 1 S Main St, Batesville, IN 47006

### BATESVILLE, IN (Eastern Standard Timezone)

Bed & Stretchers Seminars:	8:00 am through 4:30 pm
Surgical Product Seminars:	8:00 am through 5:00 pm
Liko® Lift Seminars:	8:00 am through 5:00 pm (Day 1) 8:00 am through 3:00 pm (Day 2)
Diagnostic Cardiology Seminars:	12:30 pm through 4:30 pm (ELI 280)
(Welch Allyn, Mortara, Quinton)	8:00 am through 4:30 pm

### EXPENSE MANAGEMENT

Class attendees are responsible for all expenses. Please arrange flights, rental car, hotel, and manage food/beverage purchases per your facility/company's travel policy. You will need to rent a car; there are no airport transfers or taxi services to Batesville, IN.

### LODGING

The following lodging options are closest to the Hillrom Training facility:

SureStay Inn Batesville 1039 St Rd 229 Batesville, IN 47006 812-934-6262	Holiday Inn Exp 915 W Ann & Hwy 3 Greensburg, IN 47240 812-663-5500	The Sherman 35 S Main St Batesville, IN 47006 812-934-1000
---	--	---

## BEDS & STRETCHERS

- Progressa® Bed (Model P7500, P7520) 2**  
 All available sleep surfaces (Therapy and Pulmonary) are included, as are the IntelliDrive® feature and the Fifth Wheel. Clinical operation, general theory of operation and troubleshooting are covered.
- Affinity® 4 Birthing Bed (Model 3701) 1**  
 Clinical operation, general theory of operation and troubleshooting are covered.
- CareAssist® Bed (Model P1170) 1 and Advanta™ 2 Bed (Model P1190)**  
 Clinical operation, general theory of operation, troubleshooting and the IntelliDrive® feature are covered.
- VersaCare® Bed System (Model P3200) 1**  
 All available sleep surfaces (A.I.R. and P500) are included, as well as the IntelliDrive® feature. Clinical operation, general theory of operation, and troubleshooting are covered.
- TotalCare® Bed System (Model 1900) 3**  
 All available sleep surfaces (Short Stay Surface, TotalCare® SpO<sub>2</sub>RT® Pulmonary Surface, etc.) are included, as are the IntelliDrive® feature and the TotalCare® Bariatric version of the product. Clinical operation, general theory of operation and troubleshooting are covered.
